

SMT Counter

- 1.Full-automatic SMD components counter
- 2.Preset the number of components conveniently
- 3.Countable for in both forward and reverse directions
- 4.Reel diameter: All kinds of SMD reel sizes are suit
- 5.Reel Width: 8,12,16,24,32,44,56mm

Specification

Counting scopes	0-99999 PCS
Voltage	Single phase 220V,50/60Hz
Machine size	L340*W780*H190MM
Gross weight	10 KG

- 1.Advanced design concept of imported equipments
- 2.Well experience on SMT/DIP
- 3.Professional SMT/DIP planning ability
- 4.Persistent forward-looking development ability
- 5.Professional after sale services team
